A note from Vicki Walter

Hi,

My name is Vicki Walter and I was hired by Heartland Senior Services on 9/28/2004 to be the Finance Director.

I would like to take this opportunity to say "thank you to all of the staff and board members for such a warm welcome.

I have been busy learning the ropes of non-profit financial accounting, keeping the day-to-day and month-to-month routines going and gearing up and preparing various budgets and funding requests for upcoming fiscal years.

I am an Iowa native, growing up on a farm in Marshall county, and I have lived and worked in Story County since 1979.

I did cross the border south for four years of college at Truman State

University in Kirksville, Missouri, where I obtained a Bachelor of Science in Accounting.

Nevada is now home for my husband and two sons (Both will be in college this fall!).

With the help of two office assistants, the finance department is responsible for preparing and managing all funding requests, financial statements, budgets, receipts (Accounts Receivable) and disbursements. (Accounts Payable), and the payroll for 60 employees within Heartland's \$1.6 million budget.
